Each payment shall be the same as if it were personally signed and authorized by me. As with a check, sufficient funds need to be available in my account at the time of transfer. If a draft is returned to the Village unpaid, a thirty dollar ($30) administration fee will be applied to my account. This authority is to remain in effect until the Village of Winfield has received written notification from me of termination a minimum of thirty days prior to a scheduled due date. The Village of Winfield reserves the right to terminate this payment plan or participation therein. I will provide a minimum of thirty days written notice to the Village of Winfield of any changes regarding the above account, i.e., changes with the financial institution, account number, account type, etc.

Processing of this application will require three to five weeks. *I am responsible for paying my bills to the Village of Winfield until my bill indicates that my bank draft payment program is established. My bill will note when the bank draft begins by having a "BANK DRAFT" note appear in the amount enclosed box on my bill.*

I understand and agree, as per my selection, to the terms of this letter and application, and the ordinances of the Village of Winfield.
